FIELDS

Econometrics, Machine Learning, Economics and Computer Science

EDUCATION

Current	Ph.D. in Economics	Yale University
2026	B.S. in Mathematics/Economics, spec. Computing <i>summa cum laude</i>	UCLA

PUBLICATIONS AND ACCEPTED PAPERS

Reinforcement Learning Theory

- [1] [Provably Efficient Reinforcement Learning in Continuous-Time Episodic MDPs with Poisson Decision Epochs](#).
Kenny Guo, Valentio Iverson, Sahan Wijetunga, William Chang
42nd Conference on Uncertainty in Artificial Intelligence (UAI 2026), August 2026

WORKING PAPERS

Economics and Computer Science

- [6] SPADE: Stochastic Payoff-Based Algorithm for Decentralized Equilibria in Games with Decision-Dependent Distributions and Coupled Constraints
Kenny Guo, William Chang, Xuanyu Cao
- [5] Youdunit: Single-Call Counterfactual Necessity in Multi-Agent LLM Systems
Marissa Zhao Li, Stephanie Gao, **Kenny Guo**, Xingjian Li, William Chang, Goran Radanovic
- [4] Decentralized Online Learning of Stackelberg Equilibrium in General-Sum Leader-Controller Markov Games
Kenny Guo, Ricardo Parada, Helen Yuan, Larissa Xu, William Chang

Reinforcement Learning Theory

- [3] Learning Adversarial Continuous MDPs with Bandit Feedback and Unknown Transitions
Aarush Kulkarni, Khang Nguyen, Ricardo Parada, **Kenny Guo**, William Chang, Yan Dai
- [2] Policy Optimization for Corrupted Markov Decision Processes
Khang Nguyen, **Kenny Guo**, William Chang
- [1] Coordinating for Clicks: Learning in Multi-Agent Information Asymmetric Cascading Bandits
Kenny Guo, Lily Jiang, Lune Chan, Sophia Yi, William Chang

WORK IN PROGRESS

Econometrics

Adaptive Policy Learning under Approximate Network Interference

KENNY GUO

Economics and Computer Science

Online Steering of No-Regret Learners to Welfare-Optimal CCE in Markov Games
With Aarush Kulkarni, Muiyi Lin, William Chang, Yan Dai, and Youhyun Lee

POLICY BRIEFS

[1] Inflation on UI Program Benefits and Affordability for the Unemployed
With Terrence Yu and Peter Mannino
California Policy Lab

HONORS AND AWARDS

2026	Outstanding Mathematics/Economics Student Award, UCLA
2025	John & Joan L. Wickham Economic Research Fellowship, UCLA

CONFERENCES AND PRESENTATIONS

2026	UAI 2026
2025	SoCal AI and Responsibility Summit (Best Overall Research Contribution); UCLA Economic Board of Visitors Meeting; UCLA Undergraduate Research Week

EMPLOYMENT/AFFILIATIONS

2025—	Research Fellow, California Policy Lab
2024—	Applied Researcher, BruinML

PREVIOUS EMPLOYMENT/AFFILIATIONS

2025	Summer Analyst, NERA Economic Consulting
2024	Research Assistant, Prof. Felipe Goncalves (UCLA)

CITIZENSHIP

United States of America
